STUDY  IRELAND 

2025 - 2026

International Student Guide

 **ENGLISH
TALKS**
www.englishtalks.ie

Cork has been voted **Europe's 3rd friendliest City**

and according to the Lonely Planet,
"Everything good about Ireland can be found in Cork".

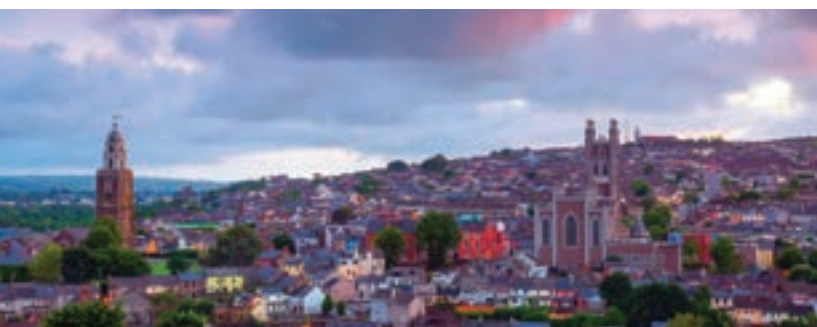

Welcome to **Cork, Ireland**

Ireland is renowned for its beautiful, unspoiled countryside and scenery.

It's dynamic, lively and modern with a young population and a successful, technologically- orientated economy.

Ireland is truly unique - picturesque, pristine, steeped in culture and tradition where music, the art of conversation and the joy of making friends are still alive. A variety of attractions combined with a friendly and welcoming atmosphere, is a guarantee that your stay on the Emerald Isle will be unforgettable.

You can expect the highest standards of education, modern facilities and an abundance of amazing places from stunning landscapes to bustling towns and cities with talented buskers.

I'm happy to Assist you.

I am Ella your Sales Advisor,

I'm here to provide all the necessary support to make your goal of studying abroad in Ireland a reality! I'll be the bridge that guides you through every step of the process, from clarifying your doubts to resolving anything that may be needed until your arrival in Ireland!

A1 Level **Beginner**

Learn the basic language and structures to be able to do things you need to do on a daily basis as soon as possible.

A2 Level **Elementary**

Students existing skills are enhanced by introducing more complex language structures, connected text on familiar topics. This develops an ability to understand basic conversation on everyday matters.

B1 Level **Intermediate**

By the end of this course, you will be able to deal with most situations likely to arise while travelling or living in an English speaking environment. You will be able to describe experiences and events and give brief supporting explanations for views and opinions.

B2 **Upper Intermediate**

By the end of this course, students will be able to interact with a native speaker with considerable fluency and spontaneity. He/she will be able to grasp the main ideas of text on both concrete and abstract topics as well as produce clear, detailed text on a range of subjects.

C1 Level **Advanced**

This course will give you detailed language knowledge and context with perfect training opportunities so that you can be prepared to freely converse in English in any situation.

C2 Level **Proficiency**

With this course gain the level of English that's needed to study or work in a very senior professional or academic environment, for example on a postgraduate or PhD programme.

IELTS Exam (Academic)

The IELTS exam improves your ability in the four skills of Listening, Reading, Writing and Speaking. During this IELTS course you will be guided through all the IELTS exam requirements including learning exam techniques and complete plenty of past and sample exam papers.

Cambridge (B2 First) Certificate

Aimed at learners between B1 and C1 who join this course to prepare for the Cambridge B2 First Certificate, this qualification proves you have the language skills to live and work independently in an English-speaking country or study on courses taught in English.

EAP (English for Academic Purposes)

The 10-week EAP programme is aimed at international students who need to improve their overall IELTS band for university entry. The programme contains extensive study and practice across all four IELTS components of listening, reading, writing and speaking. This content is taken from IELTS practice tests, IELTS textbooks, web-based content and experienced tutors' own materials. Harvard Style referencing and generic academic essay writing skills in paragraph structure, as well as essay organisation and layout, will be taught and practised, with tutor feedback.

Business English

The Business English course improves your ability and knowledge of the language for communications, meetings, drafting documents, presentations, negotiations and sales and to engage with business reports. The programme is designed for students with a B1-B2 level of English.

OET (Occupational English Test)

The OET improves your ability and knowledge for healthcare professionals who wish to take the OET. You will make the maximum amount of progress with a focus on the OET exam and you will develop the skills for success in your career. The OET tuition covers a range of language required to facilitate communication in a professional healthcare environment. During this course you will cover all aspects of the exam, language and skills (Listening, Reading, Writing and Speaking), exam structure and exam techniques.

TEFL (Teaching English as a Foreign Language)

The TEFL training enables you to teach English to speakers of other languages. Gain your TEFL qualification to teach English as a foreign language with our combined online and face-to-face TEFL course with English Talks. You will gain a thorough understanding of how language is learned and taught, curriculum and materials design and many more aspects for effective classroom teaching.

How We Work?

Coursebook

The Coursebook has all the language and skills necessary for you to further your English, with vocabulary, listening, reading, speaking, grammar, mix & match and writing. The self-assessment page at the end of each unit forms a useful tool to track your progress.

Use your Coursebook in class with your teacher for directed learning.

Workbook

Enhance your classroom learning at home with our Workbook that includes all the necessary skills, vocabulary, grammar, communication, reading, writing as well as supplementary material to consolidate your learning. The self-assessment page at the end of each unit forms a useful tool to track your progress.

Reinforce your learning at home by using your Workbook for homework or self-study.

Learn Face to face & Online Anywhere 24/7

Catch up on a class or reinforce your learning with our easy to access recored lecture with our native English speaking teachers
